

Roly-Poly Kitty

Applique pieces for a 6" block.

Assemble the background square first by cutting a 2-1/2" x 6-1/2" rectangle from green fabric and a 4-1/2" x 6-1/2" rectangle from blue fabric. Using a 1/4" seam, sew together along one long side and press seam toward the darker fabric.

Trace the appliqué templates onto the paper side of fusible web and cut around each shape just outside of the lines. Place on the wrong side of the grey fabric and fuse using a warm, dry iron. Cut along the lines and remove paper backing. Place the pieces on the background block using the image above as your guide. Fuse into place using a warm, dry iron. Finish edges by using a decorative stitch on your sewing machine or buttonhole appliqué stitch by hand.
